

PROGRESSIVES TO ORGANIZE

The progressives of Williams will organize and may put up a full county ticket. Some of the leaders favor putting up a full county ticket while others think that it would be better to wait until after the primaries are over and put in strong progressives where the democrats and republicans have left weak places in their county ticket.

Mr. and Mrs. Chas. H. Adams, Clerk of the Court, left Monday for Michigan to spend a few weeks visiting friends and relatives. During their absence Chas. Brooks will have charge of the office. Mr. Adams expects to be gone about three weeks.

Mr. A. F. Potter, for eighteen years stockman in Northern Arizona, and now Associate Forester in charge of the Office of Grazing of the Forest Service, together with Bristow Adams, in charge of publicity work in connection with Forest Service matters, and W. S. Clime, a moving picture expert, visited Williams on July 25. For exhibition purposes at the Exposition in San Francisco in 1915 Mr. Adams is endeavoring to secure a number of interesting moving pictures relating to the lumbering and stock raising industries as managed on the various National Forests in the United States. Thru the courtesy of the Saginaw & Manistee Lumber Company a number of very interest views were taken at the mill in Williams.

NORTHERN ARIZONA FAIR

Preliminary arrangements will soon be underway for the next Northern Arizona Fair. The first fair, held in October last year, was an unqualified success. This year there are many improvements in the grounds and the seating arrangements and the program will be made up with special attention to the tier of our northern counties.

Yavapai is a good host. Prescott promises to outdo itself in arranging for entertainment and, as usual the business men and hotels will not advance prices during the fair week.

A feature will probably be made of races with extraordinary inducement to insure entries from men of Apache, Coconino, Mohave and Navajo counties. The fair will be particularly for the people of the north and special events will be listed with liberal prizes in which Yavapai county will take a back seat.

The date has not been fixed as yet. It will probably be held about the middle of October before the late rains set in.

There's no machine like the Yale for economy of gasoline. On test here in Coconino county it has repeatedly run sixty miles on one gallon.

NEW SCHOOL DISTRICT
ORGANIZED

A new school district was organized at Garland Prairie with the following officers, J. D. Tannehill, director, H. S. Perry, member, and Mrs. Corilla Goss, clerk. A new building will be erected soon and school opened.

Red Lake School House Completed

The new School house at Red Lake is completed and ready for occupancy. There will be school there this fall and next summer, with Miss Ellen Clark, a Coconino county girl as teacher.

With the sidecar attached and a passenger in the sidecar, the Yale motorcycle recently traveled forty-five miles on one gallon of gasoline.

RANCHERS, NOTICE!

WE will print Ruled Letterheads with the name of your ranch, your name as proprietor and cuts of animals illustrating your brands, put up in tablet form, all at a price less than the cost of good pen tablet paper.
